Flower, Produce and Handicraft Show held on Saturday 26th August
Very many thanks to everyone who supported the Show this year – the stewards, the helpers, the caterers, all those who entered the classes, the admin team, the judges, the cake-makers, those who ran the raffle, and the local businesses who also helped. We hope no-one has been left out! It was a truly whole church family effort (not just the effort of one or two people) and it would never have taken place without you all, so thank you again.

While the day is still fresh in your memories, we would also much appreciate any constructive feed-back you may have. Now's your chance to give us your ideas and suggestions for another time, whether it is about how the day is run or ideas for classes. We need to know your suggestions by the end of September please, as we will then be working on next year's Show schedule.
Alison and Margaret.

Do you have any old pound coins?

On 1st October we will be holding Harvest Festival services at All Saints and St James. We have had an appeal from 'Shelter Box' a charity which supplies emergency boxes of supplies to refugees and families fleeing conflict or natural disaster. They have already saved lives in Syria, Iraq, Mozambique, Somaliland, Peru and after the earthquake in Nepal. A box can contain: A tent; cooking equipment, a toolkit, water purification equipment, thermal blankets and a mosquito net; they can be a life-saver for those in need. This year we are asking you to bring your old pound coins to the services (this doesn't rule out paper money as well!) to the services so we can support this worth-while charity- Smartie tubes welcome!

Over the next few weeks please think about how you can support this Harvest appeal. Canon Gill

Church Refurbishment in 2018-Please read the Refurbishment Notice Board in the Hyde Chapel for the July Report. It explains the method (the Project Plan) we will use to keep our Church Services running while the builders are in the Church.

The parameters (the detail of the building works and our alterations) are currently being assessed. The agreed parameters will be available in the following weeks.

St James - Locking and unlocking of the Church.

We have drawn up a rota for the locking and unlocking of the Church. However we are in need of volunteers to be on standby, to step in when folk on the rota can't make their slot for one reason or other.
If you are willing to be a 'standby' please speak to Linda or Marjorie. Thank you.
